Only 6.3% of workers from Councilmember Daniel R. Garodnick’s district would be impacted by Mayor Bloomberg’s congestion pricing proposal. 2.4% of workers would pay a lower rate because they reside and are driving within the zone. The remaining 3.9% would pay the full rate because they reside outside of the zone, but drive to work in the zone, or they live within the zone, but drive to work outside of it. The vast majority, 93.7% would not be affected by the charge.

Percent of households earning less than $40,000 annually: 22.8%

Percent of households without a vehicle: 70.1%

Average annual household income:
